

Dream Corner

When I look back over my life, the memories that have really stuck with me are vacations with my family. So when asked what dreams have come true because of Mary Kay, I relive family times. Allow me to share with you the special times spent with my husband and sons because I signed my agreement on March 22, 1976.

We have taken family vacations to the following places:

Hawaii- where we purchased a 2 week time-share.

Cabo, San Lucas, Mexico- 3 times and 4 weeks of time-share

Skiing Trips—Utah/Colorado

Caribbean Cruises twice.

Boston & Marthas Vineyard

Blackcomb Whistler, Canada

Florida over Spring Break.

New York City.

Phonetic Spa in Scottsdale/Las Vegas. Bellagio Grand Opening

Scottsdale, AZ for golfing & biking.
