

Dream Corner

When Mary Kay found me, 9 years ago this October 13th, I had already retired from the working world and was looking for something to do with my spare time when a friend talked to me about the Mary Kay Opportunity. After attending a couple events with her, I decided to give it a try and I loved the idea of getting the product at a discount.

I was born and raised in a small town in Tennessee, #8 of 11 children, Dad worked hard to clothe and feed us, never asking for a handout. He taught us to work for what we needed. I never knew my dad to own a car. He walked to and from work every day and came home in the evening and worked on the farm so his family could survive. After graduating from High School, I moved to Ohio to get a JOB and find a GOOD Man that would take care of me and I found both, 51years ago, in a furniture store in Jellico, Tennessee, Elmer and I were married by a Justice of the Peace and today our family consists of 2 daughters, 4 granddaughters, 1 grandson and 3 beautiful Great Grandchildren.

I OFTEN SAY.....IT'S NOT WHERE YOU START, BUT WHERE YOU FINISH!!!!!!

I love my Mary Kay business, it allows me to be flexible with my time and provides me with an income so I don't have to live paycheck to paycheck and I love the friends I have met along the way, some that I would have never known if it had not been for Mary Kay.

In the past 9 years I have earned many gifts from the Mary Kay Company, including 8 rings for the National Queen's Court of Sales and other gifts too numerous to mention but what I am most excited about is that my team, The VISIONARIES, earned the use of a New Mary Kay Car, the 2009 Chevy Malibu, which will be our 5th time to qualify. God has been good to me.

I honestly can say that you can accomplish your dreams and goals if you keep looking forward and never quit.....QUITTERS NEVER WIN AND WINNERS NEVER QUIT!!!!!!

Much of my success today is due to the training and guidance I have received from my Fabulous Director, Cheri Pearce and to my National Sales Director, Mona Butters, for the love and faith she has given me. Thanks to both of you, I love and appreciate you.

Thank You, *Independent Beauty Consultant,*
Jean Vaughn
